

JOINT CITY/COUNTY TASK FORCE ON RIDGE, SLOPE AND HILLSIDE DEVELOPMENT AND PROTECTION

Public Involvement & Education, Public Relations and Recreation

Thursday, October 2nd 11:30am
Knox County Parks & Recreation Offices
Large Conference Room

Agenda

11:30 to 1:00pm

- Update on Land Use and Site Design Committee's work
- What we learned from the Asheville visit
 - Update - Elaine Clark, Joe Hultquist, Tony Norman, Mike Carberry and Liz Albertson
 - Website and listserv
 - Worked with media to get accurate representation of the process and ordinance
 - Work sessions with their commission / council to demonstrate their data and analysis prior to a vote
 - Demonstrated through site design examples that the ordinance would not be a "takings" because you can still fit 3000 sq. ft. homes on single-family residential property, just limiting the disturbance
- Brainstorming Session
 - See DRAFT Common Statements / Talking Points
 - Finalizing Talking Points to get feedback from entire Task Force on by the October 16th meeting
 - See Potential "Speaker Bureau" Outreach
 - Additions needed? Contacts?
- Other Business?

REMINDERS!

- Next Task Force meeting on Thursday, October 16th 3:00pm until 5:00pm at Ijams Nature Center (in the Miller Education Building) // Follow the signs from the entrance of Ijams
