¹Standards: FA = floor area capacity (standard = 150 square feet per student); B = Basic Education Program capacity (threshold = 85 percent of total); F1/F2/F3 = functional capacity (threshold = 85 percent of total).

²Priority scoring: Facilities that exceed one or more of the capacity standards/thresholds receive the following points:

FA=1 point, B=2 points, F1=4 points, F2=6 points, F3=8 points. The higher the score, the greater the facility capacity strain.
