Public Meeting Planned for Inskip Small Area Plan

The Metropolitan Planning Commission is hosting a public meeting on Thursday, January 27 to discuss a draft of the Inskip Small Area Plan. The meeting will be at the Inskip-Norwood Recreation Center, 301 Inskip Drive, from 6-7:30 p.m.

The plan, which must be adopted by MPC and by City Council, focuses on the area that is bounded by Bruhin Road and Inskip Road on the east, Cedar Lane on the north, I-75 on the west, and I-640 on the south. It is a comprehensive review of land use, traffic patterns, public amenities and other community assets and includes many of the sidewalk, pedestrian improvement and park recommendations that are suggested as part of the Healthy Kids, Healthy Communities initiative.

This meeting will follow up on the public meeting held last September where citizens offered their concerns and suggestions for transportation and zoning changes in Inskip. At the January 27 meeting, participants will have the opportunity to make further suggestions and comment on the draft plan.

The draft version of the plan is available at www.knoxmpc.org/inskip/. The draft version dated 1/17/2011 is an advanced copy of the draft, which is still under revision. A final copy of the draft will be available on the website by January 25.
