

DESIGN GUIDELINES

TENNESSEE TECHNOLOGY CORRIDOR DEVELOPMENT AUTHORITY

Teresa Shupp, Chair

Frank Robinson, Vice-Chair

Brad Anders

David Collins

Orlando Diaz

Allen Edwards

Ben J. Pethel

The members of the MPC staff contributing to this report include the following:

Ewing "Buz" Johnson, AICP Deputy Director, Co-Project Manager
Mike Carberry, AICP Comprehensive Planning Manager, Co-Project Manager
Mark Donaldson..... Executive Director
Liz Albertson Community Planner II
Mike Reynolds Community Planner II
Jo Ella Washburn..... Graphic Designer
Ryan Justice GIS Specialist
Tina Ash Intern
Nathan Oliver..... Intern

DESIGN GUIDELINES

These design guidelines were adopted by:
Tennessee Technology Corridor Development Authority on March 8, 2010
Knoxville Knox County Metropolitan Planning Commission on March 11, 2010
Knox County Commission on April 26, 2010

Table of Contents

OVERVIEW

Concept	1
Policies	2
Purpose of Design Guidelines	5
Alternative Compliance.....	6

DESIGN GUIDELINES

1 Site Design	3 Landscaping
1.1 Phasing and Context	3.1 Site.....
1.2 Site Development	3.2 Site Entryways
1.3 Development Intensity	3.3 Buildings
1.4 Setbacks	3.4 Parking.....
1.5 Open Space	
1.6 Circulation.....	
1.7 Parking.....	
1.8 Lighting	
1.9 Utilities	4 Signage
1.10 Stormwater Management	4.1 Common Elements
1.11 Road Access to State Route 162 - Pellissippi Parkway.....	4.2 Subdivision and Planned Development Signs
1.12 Hillside and Ridgetop Development	4.3 Yard Signs.....
	4.4 Building Signs
	4.5 Interim Signs.....
2 Building Design	
2.1 Architecture.....	5 Residential Development
2.2 Materials	5.1 Medium and High Density
2.3 Floor Plan	Residential Development in BP Zone and BP-1 District.....
2.4 Entrances.....	
2.5 Service Areas.....	
2.6 LEED Certification	

APPENDICES

Appendix A: Glossary of Terms 44
Appendix B: Landscape Guidance 46
Appendix C: Road Design Examples 57

LIST OF MAPS

Map 1: Tennessee Technology Corridor
with Zoning Overlay 3

Map 2: Tennessee Technology Corridor
Land Use Plan 4

Map 3: Tennessee Technology Corridor
Hillside and Ridgetop Areas..... 22

LIST OF TABLES

Table 1: Maximum Slope for
Land Disturbance..... 9

Table 2: Required Minimum Setbacks..... 11

Table 3: Off-Street Parking Space
Requirements 14

Table 4: Off-Street Parking Stall
Minimum Size Requirements..... 14

Table 5: Slope Conservation 24

Table 6: Large Tree Species
Recommendations..... 46

Table 7: Medium Tree Species
Recommendations..... 47

Table 8: Small Tree Species
Recommendations..... 48

Table 9: Plant Recommendations
for Exposed Wall..... 49

Table 10: Plant Recommendations
for Foundations..... 51

Table 11: Exotic Invasive Pest Plants
in Tennessee..... 54

LIST OF FIGURES

Figure 1: Calculating Development Intensity
Example..... 10

Figure 2: Shared Surface Parking Example ... 13

Figure 3: Parking Lot Layout Based on
Angle of Parking Examples..... 15

Figure 4: Lighting Direction and Glare
Examples 17

Figure 5: Full-Cutoff Lighting Fixture
Example..... 18

Figure 6: Prohibited Lighting Fixture
Examples 18

Figure 7: Maximum Height for Light Poles
Examples 19

Figure 8: Under-Building Parking with
Hillside Development Example 25

Figure 9: Side Parking with
Hillside Development Example 26
