

DESIGN GUIDELINES

DESIGN GUIDELINES

These design guidelines were adopted by:
Tennessee Technology Corridor Development Authority on August 8, 2011
Knoxville Knox County Metropolitan Planning Commission on August 11, 2011
Knoxville City Council on September 20, 2011
Knox County Commission on September 26, 2011

Table of Contents

OVERVIEW

Concept	1
Policies	2
Purpose of Design Guidelines	5
Alternative Compliance.....	6

DESIGN GUIDELINES

1 Site Design	3 Landscaping
1.1 Phasing and Context	3.1 Site.....
1.2 Site Development	3.2 Site Entryways
1.3 Development Intensity	3.3 Buildings
1.4 Setbacks	3.4 Parking.....
1.5 Open Space	
1.6 Circulation.....	
1.7 Parking.....	4 Signage
1.8 Lighting	4.1 Common Elements
1.9 Utilities	4.2 Subdivision and Planned
1.10 Stormwater Management	Development Signs
1.11 Road Access to State Route 162	4.3 Yard Signs.....
- Pellissippi Parkway.....	4.4 Building Signs
1.12 Hillside and Ridgetop Development	4.5 Interim Signs.....
.....	
2 Building Design	5 Residential Development
2.1 Architecture.....	5.1 Medium and High Density
2.2 Materials	Residential Development
2.3 Floor Plan	in the Technology Overlay.....
2.4 Entrances.....	
2.5 Service Areas.....	
2.6 LEED Certification	

APPENDICES

Appendix A: Glossary of Terms 44
Appendix B: Landscape Guidance 46
Appendix C: Road Design Examples 57

LIST OF MAPS

Map 1: Tennessee Technology Corridor
with Zoning Overlay 3

Map 2: Tennessee Technology Corridor
Land Use Plan 4

Map 3: Tennessee Technology Corridor
Hillside and Ridgetop Areas..... 22

LIST OF TABLES

Table 1: Maximum Slope for
Land Disturbance..... 9

Table 2: Required Minimum Setbacks..... 11

Table 3: Off-Street Parking Space
Requirements 14

Table 4: Off-Street Parking Stall
Minimum Size Requirements..... 14

Table 5: Slope Conservation 24

Table 6: Large Tree Species
Recommendations..... 46

Table 7: Medium Tree Species
Recommendations..... 47

Table 8: Small Tree Species
Recommendations..... 48

Table 9: Plant Recommendations
for Exposed Wall..... 49

Table 10: Plant Recommendations
for Foundations..... 51

Table 11: Exotic Invasive Pest Plants
in Tennessee..... 54

LIST OF FIGURES

Figure 1: Calculating Development Intensity
Example..... 10

Figure 2: Shared Surface Parking Example ... 13

Figure 3: Parking Lot Layout Based on
Angle of Parking Examples..... 15

Figure 4: Lighting Direction and Glare
Examples 17

Figure 5: Full-Cutoff Lighting Fixture
Example..... 18

Figure 6: Prohibited Lighting Fixture
Examples 18

Figure 7: Maximum Height for Light Poles
Examples 19

Figure 8: Under-Building Parking with
Hillside Development Example 25

Figure 9: Side Parking with
Hillside Development Example 26

Figure 10: Shared Side Parking with
Hillside Development Example 27

Figure 11: Shared Rear Parking with
Hillside Development Example 28

Figure 12: Rear Parking with Staggered
Hillside Development Example 29

Figure 13: Roof-Mounted Mechanical
Equipment Screening Example 32

Figure 14: Subdivision/Planned Development
Sign Height/Area Calculation
